## Nights of Unrest.

No Sleep, No Rest, No Peace for the Sufferer From Kidney Troubles.

No peace for the kidney sufferer. Pain and distress from morn to night. Get up with a lame back. Twinges of backache bother you all day. Dull aching breaks your rest at night. Urinary disorders add to your misery. Get at the cause, cure the kidneys. Doan's kidney pills will work the cure.

They're for the kidneys only. Have made great cures in this locality.

Mrs. B. F. Matheny, 934 Barnes street, Augusta, Ga., says: "I am very glad to say that I have used Doan's kidney pills with great benefit. I was a sufferer from backache and pains through my loins and kidneys and I could hardly get around for days. It was almost impossible for me to rest, I had but little strength or energy and suffered from headache. I spent a lot of money doctoring, but did not get satisfactory results until I heard about Doan's kidney pills and procured a box. Since using them my back does not pain me and my kidneys are normal. I now feel like a different woman and have told many of my friends about Doan's kidney pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

## A Fierce Night Alarm

is the hoarse, startling cough of a child, suddenly attacked by croup. Often it aroused Lewis Chamblin, of Manchester, O., R. F. D. No. 2 for their four children were greatly subject to croup. Sometimes in severe attacks, he wrote we were afraid they would die, but since we proved what a certain remedy Dr. King's New Discovery is, we have no fear. ## Full Particulars Given.

A small boy who had recently passed his fifth birthday was riding in a suburban car with his mother, when they were asked the customary question, "How old is the boy?" After being told the correct age, which did not require a fare, the conductor passed on to the next person.

The boy sat quite still, as if pondering over some question, and then, concluding that full information had not been given, called loudly to the conductor then at the other end of the car: "And mother's thirty-one."—Human Life.

## The Lucky and Unlucky Months for Matrimonial Ventures.

The lucky and unlucky months in which to begin a matrimonial career are set forth in the appended verses:

Marry when the year is new,  
Always loving, kind and true.  
When February birds do mate,  
You may wed, nor dread your fate.  
If you wed when March winds blow,  
Joy and sorrow both you'll know.  
Marry in April when you can,  
Joy for maiden and for man.  
Marry in the month of May,  
You will surely rue the day.  
Marry when June roses blow,  
Over land and sea you'll go.  
Those who in July wed,  
Must labor always for their bread.  
Whoever wed in August be,  
Many a change are sure to see.  
Marry in September's shine,  
Your living will be rich and fine.  
If in October you do marry,  
Love will come, but riches tarry.  
If you wed in bleak November,  
Only joy will come, remember.  
When December snows fall fast,  
Marry, and true love will last.

## Highway to Happiness.

To be calm when others about you are troubled; to dream dreams and yet not be mastered by them; to think and yet not make thoughts an end; to meet triumph without pride and disaster, without being embittered; to walk with the many and keep virtuous; to hold converse with the mighty and yet not lose the common touch; to be influenced neither by the criticism of foes nor the flattery of friends; to endeavor to be of service and helpfulness to others; to keep in mind the transitions of life's experiences; to love humanity and to trust in God—these are the guideposts on the highway to happiness.—Selected.

## Produce Something.

One dollar that is earning interest is more valuable than two dollars that are earning none.

A humble talent that is put to use is worth more than genius lying idle.

A single idea that is converted into action is doing better service than a thousand ideas that are unexpressed.

A menial job that brings in real cash pays more bills than the high-salaried position in prospect.

The pennyworth that is sold spells bigger profits than the dollar-worth that stays on the shelf.

A bird in the hand is worth two in the bush.

Say it with as many frills as you want, the point is this:

Do something. Deliver the goods. Produce.—System.
